Dear Colleagues:

On behalf of the students and staff of Georgia Perimeter College, Newton Campus, we would like to wholeheartedly recommend Tawan Perry to speak at your next event. We had Tawan speak at our How to Be Successful SGA Lyceum event and the students absolutely loved Tawan's speech. His presentation was interactive and really motivated the students to start thinking about ways to be more successful in their personal and professional lives.

Judging by the number of students who came up to him afterwards, I know that Tawan connected with our students. Tawan was willing to work with students individually after his presentation; many students took advantage of this opportunity.

We would like to strongly recommend Tawan to any group who is looking for an energetic speaker who has an engaging and inspirational message.
